Let's Go Pro Movers is committed to moving your items as safely and efficiently as possible. In order to accomplish this, Let's Go Pro Movers abides by specific protocols for safe transport of special items. Let's Go Pro Movers cannot be held liable when a customer chooses not to utilize the suggested mode of transportation. Unless otherwise stated, Let's Go Pro Movers is released from liability for damage caused to the items or by performing specific services. All items are moved as "mechanical condition unknown". Let's Go Pro Movers does not accept any liability unless there is visible exterior damage. If you have any questions on these protocols, please do not hesitate to contact our office prior to your move.

Initial

I understand that Let's Go Pro Movers is not liable for any damage or loss to the following items during transportation: Jewelry, Guns and Ammunition, Medications, Cash/Personal Documents, Electronics (radios/stereos, computers, etc.), and any other personal items of extraordinary value. Items with a value greater than or equal to \$100.00 per pound are items of extraordinary value. It is advised that you, the customer transport these items prior to the move date. We insure your items free of charge for **\$.60** per pound per item damaged, lost or destroyed. We do our best to blanket and wrap your furniture, so this doesn't happen.

I understand that Let's Go Pro Movers will move appliances, equipment, or machinery. However, Let's Go Pro Movers will not disconnect and/or connect any appliance, equipment, or machinery unless the customer instructs the crew to do so. Let's Go Pro Movers will not be held liable for the electrical or water damage to property associated with the connection and/or disconnection of appliances, equipment, or machinery. Let's Go Pro Movers will not be held liable for damage to a front-loading washer or dryer that is moved without the shipping/stabilizing bolts being correctly secured in place.

I understand that Let's Go Pro Movers has offered to accept liability by suggesting a proper mode of transportation. I understand that declining this protection releases Let's Go Pro Movers for any damage. I understand that valuation coverage does not cover the above-named items/services unless proper protocols are followed.
